An exclusive opportunity to spend an evening at Pixar Animation Studios, including a studio tour, silent and live auctions, and dinner and dessert reception. See it here first! *Saturday, May 22, 2010 | Pixar Animation Studios, Emeryville*

FAMILY GALA - THE ROYAL BALL

Sponsorship \$1,000 - \$25,000

An enchanted Gala for children of all ages, this fantastical event attracts families with young children from all over the Bay Area. *Sunday, March 21, 2010 | Mission Bay Conference Center at UCSF*

Walk to Cure Diabetes

Sponsorship \$2,500 - \$100,000

Our biggest grass roots event is held in five locations throughout the Bay Area and draws over 10,000 families and friends from all walks of life to show support and raise funds for diabetes research.

Family Days with the San Francisco Giants & San Jose Sharks

Sponsorship \$5,000 - \$10,000

These events offered at an extremely low cost to families directly affected by diabetes. Family Days start with a pre-game picnic and then group seating as everyone enjoys the game together. The event is fun, exciting and educational – attendees learn about diabetes resources in the Bay Area, new medical device technology, and research advances.

Diabetes Awareness Day with the Oakland A's

Sponsorship \$10,000 - \$25,000

A day to gather with the type 1 diabetes community, this event is a Bay Area wide kick-off for the Walk to Cure Diabetes as well as a day to create awareness for JDRF.

Annual Research Symposium

Sponsorship \$10,000 - \$25,000

The premiere research event of the chapter includes 200 volunteers and donors with a direct connection to type 1, patients and families interested in new research updates, scientific, medical and community leaders in the field of type 1 diabetes.

Silicon Valley Summit

Sponsorship \$1,500 - \$15,000

This annual meeting at the Rosewood Sand Hotel brings together leaders from the biotech and venture capital industries with SV law firms and top researchers from Stanford for a lively discussion of current trends and developments in bringing new treatments to the market.
